#### Disclaimer

The information set out in this specification and/or in any other document(s) provided with the products does not constitute any warranty other than conformity to the current product specifications. Any relevant legislation governing the use of the product should be observed by the user to ensure that the use of the products and any labelling is in compliance with any local, national or international legislation, regulation or standard. Nothing contained herein shall release the user from carrying out any relevant QC inspections of product(s) received. All other warranties, express or implied are hereby explicitly excluded.

#### Allergens and Free From Claims

Free from claims can only be made where legislative controls and applicable tests are undertaken. Frutarom (UK) Ltd do not make free from claims for any product due to the complexity of the supply chain. Frutarom (UK) Ltd is also a corporate member of the Anaphylaxis Campaign.

All allergen cross contamination risks are assessed under a detailed allergen risk assessment programme which has been conducted and continuously reviewed. We cannot 100% guarantee absolute absence of contamination, for example adventitious, however the risk has been minimised via the use of management systems such as GMP, DNA/Elisa (and or other means) and HACCP. Regarding the sites that use nut products, these products have been tested by an accredited laboratory and no allergenic material has been detected.

The absence of labelling does not infer a guarantee that the product is free from allergens.

This document is computer generated and consequently not signed. The information contained herein is to the best of our knowledge true and accurate. All information is valid until revisions are issued.
